## SCOPE

In some limited instances, we may need to refer a complainant to another policy or area if there are different processes in place to manage the issue including:

- Complaints and concerns relating to fraud and corruption will be managed in accordance with the department's [Fraud and Corruption Policy](#)
- Criminal matters will be referred to Victorian Police
- Legal claims will be referred to the Department's Legal Division

## POLICY

Croydon SDS welcomes feedback, both positive and negative, and is committed to continuous improvement. We value open communication with our families and are committed to understanding complaints and addressing them appropriately. We recognise that the complaints process provides an important opportunity for reflection and learning.

We value and encourage open and positive relationships with our school community. We understand that it is in the best interests of students for there to be a trusting relationship between families and our school.

When addressing a complaint, it is expected that all parties will:

- actively listen to one another, be considerate of each other's views, and respect each other's role
- be student focused
- be resolution focused and attempt to preserve working relationships
- act co-operatively and in good faith
- behave with respect and courtesy
- be inclusive, considerate, and respect the cultural safety of all people, including Aboriginal people, and the human rights of all parties including but not limited to disability, age, race, religion, gender identity, sexual orientation, and marital status
- consider communication needs and preferences
- ensure that complainants and students related to complainants are not victimised for making a complaint or asserting their rights
- respect the privacy and confidentiality of those involved unless permitted or required to share information by law
- operate within, and seek reasonable resolutions that comply with, all applicable legislation and department policies.

### **Complaints and concerns process for students**

Croydon SDS acknowledges that issues or concerns can cause stress or worry for students and impact their wellbeing and learning. Croydon SDS encourages our students to raise issues or concerns as they arise so that we can work together to resolve them.

Students with a concern or complaint can raise them with a trusted adult at school, for example, with your classroom teacher or support staff or with your section leader or assistant principal. This person will take your concern or complaint seriously and will explain to you what steps we can take to try to resolve the issue and support you.

You can also ask your parent, carer or another trusted adult outside of the school, to talk to us about the issue instead. Information about our parent/carer complaints and concerns process is outlined further below. The parent/carer process also applies to students who are mature minors, refer to: [Mature Minors and Decision Making](#).

Further information and resources to support students to raise issues or concerns are available at:

### **Complaints and concerns process for parents, carers and community members**

#### **Preparation for raising a concern or complaint**

Croydon SDS encourages parents, carers or members of the community who may wish to submit a complaint to:

- carefully consider the issues you would like to discuss
- remember you may not have all the facts relating to the issues that you want to raise

- think about how the matter could be resolved
- be informed by checking the policies and guidelines set by the Department and Croydon SDS (see “Further Information and Resources” section below).

## **Support person**

You are welcome to have a support person to assist you in raising a complaint or concern with our school. Please advise us if you wish to have a support person to assist you, and provide their name, contact details, and their relationship to you.

## **Raising a concern**

Croydon SDS is always happy to discuss with parents/carers and community members any concerns that they may have. Concerns in the first instance should be directed to your child’s teacher or Section Instructional Team Leader. Where possible, school staff will work with you to ensure that your concerns are appropriately addressed.

## **Making a complaint**

Where concerns cannot be resolved in this way, parents or community members may wish to make a formal complaint to the Principal or Assistant Principal.

If you would like to make a formal complaint, in most cases, depending on the nature of the complaint raised, our school will first seek to understand the issues and will then convene a resolution meeting with the aim of resolving the complaint together. The following process will apply:

- 1. Complaint received:** Please either email, telephone or arrange a meeting through the front office with the Principal or Assistant Principal, to outline your complaint so that we can fully understand what the issues are. We can discuss your complaint in a way that is convenient for you, whether in writing, in person or over the phone.
- 2. Timelines:** Croydon SDS will acknowledge receipt of your complaint within 2 school days, and will seek to resolve complaints within 15 school days. Depending on the complexity of the complaint, some complaints may take more than 15 school days. We will endeavour to complete any necessary information gathering and hold a resolution meeting where appropriate within 10 working days of the complaint being raised. In situations where further time is required, Croydon SDS will consult with you and discuss any interim solutions to the dispute that can be put in place.
- 3. Information gathering:** Depending on the issues raised in the complaint, the Principal, Assistant Principal or nominee may need to gather further information to properly understand the situation. This process may also involve speaking to school and regional staff to obtain details about the situation or the concerns raised. In some instances, the leadership team may reach out to subject matter experts for advice. The school may also reach out to the complainant for further information or to clarify concerns.
- 4. Response:** Where possible, a resolution meeting will be arranged with the Principal/Assistant Principal to discuss the complaint with the objective of reaching a resolution satisfactory to all parties. If after the resolution meeting we are unable to resolve the complaint together, we will work with you to produce a written summary of the complaint in the event you would like to take further action about it. In some circumstances, the principal may determine that

a resolution meeting would not appropriate. In this situation, a response to the complaint will be provided in writing.

In some instances, the school in consultation with the region may suggest mediation, conciliation of other alternative methods of resolving the complaint based on the complexity and urgency of issues raised in the complaint.

## **Resolution**

Where appropriate, Croydon SDS may seek to resolve a complaint by:

- an apology or expression of regret
- a change of decision
- a change of policy, procedure or practice
- offering the opportunity for student counselling or other support
- other actions consistent with school values that are intended to support the student, parent/carer and school relationship, engagement, and participation in the school community.

In some circumstances, Croydon SDS may also ask you to attend a meeting with an independent third party or participate in a mediation with an accredited mediator to assist in the resolution of the dispute.

In some instances, the resolution may include actions that must be taken by both the school and the complainant.

## **Escalation**

If you are not satisfied that your complaint has been resolved by the school, or if your complaint is about the Principal and you do not want to raise it directly with them, then the complaint should be referred to the NEVR (North Eastern Victoria Region) by contacting 1300 333 231

Croydon SDS may also refer a complaint to NEVR if we believe that we have done all we can to address the complaint.

For more information about the Department's parent complaints process, including the role of the Regional Office, please see: [Raise a complaint or concern about your school.](#)
